SUMMARY

.NET Developer with hands-on experience in building scalable web applications using ASP.NET Core, Web API, and SQL Server. Developed secure full-stack applications with JWT authentication and role-based access control. Strong foundation in OOP, REST APIs, and clean architecture, with practical exposure through internship and real-world projects.

TECHNICAL SKILLS

Languages: C#, SQL

Frameworks: ASP.NET Core, .NET MVC, Web API

Frontend: HTML, CSS, JavaScript, React.js (Basic)

Database: SQL Server

Tools: Visual Studio, VS Code, Git, Swagger

Concepts: OOP, REST APIs, LINQ, Entity Framework Core

INTERNSHIP

.NET Developer Intern — Client Server Solutions Pvt Ltd | Feb 2026 – Present

- Worked on real-time ASP.NET Core MVC applications in a production-like environment
- Debugged and resolved application issues, improving performance and stability
- Collaborated with team members to maintain and enhance application features
- Performed database administration tasks including writing SQL queries, data updates, backups, and basic performance optimization
- Managed database operations such as data validation, troubleshooting, and ensuring data integrity in SQL Server
- Followed structured debugging and development practices using Visual Studio
- Gained hands-on experience with SDLC, version control, and code maintenance

PROJECTS

Product Management System | Full-Stack Application

Tech Stack: ASP.NET Core, React.js, SQL Server, EF Core

- Developed a full-stack web application using ASP.NET Core Web API and React.js
- Designed and implemented 10+ RESTful APIs for managing products, users, and categories
- Implemented JWT-based authentication and role-based authorization (Admin, franchise, User)
- Built an approval-based delete workflow ensuring secure administrative control
- Integrated Entity Framework Core with SQL Server for optimized data operations
- Developed dynamic dashboards to display real-time business insights
- Applied clean architecture using DTOs, service layer, and separation of concerns

EDUCATION

Bachelor of Technology (B.Tech) in Computer Science & Data Science

Sri Venkateswara College of Engineering & Technology, Chittoor

2021 – 2025 | CGPA: 7.77

Intermediate (12th)

Sri Chaitanya Junior College, Guntur

2019 – 2021 | Percentage: 79%

Secondary School (10th)

Unique School, Sattenapalli

2018 – 2019 | CGPA: 8.3

CERTIFICATES

- C# Programming Certification — HackerRank, 2025
- SQL Database Certification — HackerRank, 2025
- UI/UX Design Certification — L&T EduTech, 2024
- SQL Certification — Slash Marks, 2024
